PORTLAND, OREGON

OFFICE OF THE SECRETARY

November 26, 1937

Dr. M. L. Bridgeman, Secretary
Oregon State Medical Society
831 S. W. Eleventh Avenue
Portland, Oregon

Dear Dr. Bridgeman:

At a meeting of the Council of the Multnomah County Medical Society, held at Portland on November 26, 1937, the Council voted to suspend Dr. H. R. Shields and Dr. William E. Beck from the Society until April 1, 1938, or until such time as the Council is satisfied that Dr. Shields and Dr. Beck have discontinued their association with unethical practice; provided that if they have not discontinued their association with unethical practice by April 1, 1938, they are to be automatically expelled.

Enclosed herewith is a transcript of the proceedings taken at the meeting of the Council.

Dr. Shields and Dr. Beck have been apprised of the action taken by the Council, and have been notified of their right to appeal to the Council of the Oregon State Medical Society.

Very truly yours,

MULTNOMAH COUNTY MEDICAL SOCIETY

8808 WEST WILLAMETTE GROUP HEALTH, INC.

West Willamette Group Health, Inc. is the name of an organization being formed as a forward step in the field of health services, for the purpose of providing MEDICAL, SURGICAL, HOSPITAL, and PREVENTIVE CARE in a way that will cause less financial hardship to families of average means.

A BROAD PROGRAM FOR BETTER HEALTH can result from the organized effort of a large group of people who are interested in improving their own condition, physically and financially.

THIS PLAN IS NOW BEING USED in more than twelve other states where groups of families have successfully joined together to provide themselves medical and hospital care at a saving without sacrificing the quality of the service. In most cases it has resulted in noteworthy improvement in the DOCTOR-patient relationship. A national Federation of Health Groups has been formed for the guidance of local groups.

A FOUR-POINT PROGRAM:

1. Emphasis upon prevention of illness by early detection of disease and by other protective measures as well as treatment of illness.

2. To make available the services of a group of DOCTORS and SPECIALISTS in the various fields of medicine.

3. Prepayment of costs by a large group of families, thereby easing the expense of medical care during illness.

4. Ownership and democratic control of hospital and clinical facilities by members of the association.

ANYONE MAY JOIN who is willing to purchase a refundable lifetime membership to buy facilities, and who will pay dues when services are available. The cost and coverage is explained in this literature.

COVERAGE will be as wide as possible and still keep the organization strong financially.

Heads of families under 60 years of age will be provided up to 90 days of hospitalization for each illness or injury arising while a member of the plan. The hospital coverage for persons over 60 years will be more limited. This service includes room and board in ward beds (private room extra) general nursing care, use of the operating rooms, anesthetist, laboratory tests, x-ray, oxygen, basal metabolism and electrocardiogram tests. Medicines and medical surgical supplies except plasma are furnished while hospitalized. Also blood transfusions when blood is supplied by a relative or friend.

Heads of families are entitled to consultation and a full year of treatment for any condition; including visits to the Doctor's office, physical examination, eye examinations, blood counts, urinalysis and other tests as may be prescribed by the attending physician and as facilities permit.

Home calls will be made when necessary for a charge of $2.00 per visit plus mileage out of town.

CARE FOR ACCIDENTS is immediate. Sickness benefits are effective thirty (30) days after the date of joining the plan.

Applicants will take a physical examination and be formally enrolled when service commences.

PRE-EXISTING CONDITIONS will be charged for at regular rates during the first 30 days. After 30 days the services of PHYSICIANS and SURGEONS will be furnished for the treatment of conditions present at the time of joining the plan. Other services, such as hospitalization, x-ray, laboratory work, etc., will be provided at regular rates.

COVERAGE FOR FAMILY DEPENDENTS is the same as for the head of the family with the following exceptions: Family dependents are entitled to 30 days hospital care, including the services of the PHYSICIAN and SURGEON for each illness or injury.

8809 Family dependents pay $1.00 for each call to the Doctor's office, including maternity care; $2.00 for each house visit, plus mileage out of town.

Family dependents pay one-half regular rates for laboratory tests, x-ray examination, electrocardiograms, basal metabolism, similar tests and physiotherapy.

Tonsils and adenoids will be removed for a charge of $15.00, including medical, surgical and hospital services after six months membership.

Maternity Services will be provided member families who have been subscribers to the plan more than ten consecutive months at a cost less than half the regular charges. The exact rate has not been determined. Subscribers of less than ten months duration will be charged a rate somewhat below regular outside rates. These services include

hospitalization, medicine while in the hospital, services of specialists and nurses, and other usual services.

CONDITIONS NOT GOVERNED BY THE PLAN are the same for all persons, namely:

Injuries and illness for which the patient is entitled to compensation under federal, state, county or municipal compensation law, and

Insanity, tuberculosis, alcoholism, venereal disease, congenital conditions and attempts at suicide,

Contagious diseases and those requiring isolation are not covered, but diagnostic services and house calls will be provided.

THIS IS A NONPROFIT PLAN, and the purpose is to provide the membership with high quality medical and surgical care at the lowest possible cost. As the membership grows and the service expands the benefits and costs should become more favorable. This is not just a program to take care of present ailments, but a long time program to help people keep well.

COST

For members of Employed or Farm Groups whose dues can be payed through payroll or produce deductions:

Head of family	$2.50 per month
Spouse	2.00 " "
First Child	1.35 " "
Second "	.75 " "
Third "	.50 " "

No additional charge for more than three children in the family under 18 years of age. Children 18 to 21 years may join at the spouse rate.

(Required group enrollment quotas are:

5 to 10 families	100%
11 to 100 "	75%
over 100	60%)

For separate families whose dues are paid direct to the association:

Head of family	$3.50	per month
Spouse	2.50	" "
First Child	1.35	" "
Second "	.75	" "
Third "	.50	" "

No additional charge for more than three children in the family under 18 years in the family. Children 18 to 21 years may join at the spouse rate. Dues for individual families are payable quarterly.

The above rates are similar to those of health plans now operating in Portland and Seattle. It is expected that we will have to adjust the rates from time to time according to the size of our group and local conditions. Any money left after operational expenses will be used to broaden the service or expand the facilities, or will result in lowered rates.

Plaintiff's Exhibit 1939

8810. McMinnville, Ore., January 31, 1948

Mr. Paul Youngman,
McMinnville, Ore.

Dear Sir:

As requested by your committee, I hereby offer to sell to your group, my interests in McMinnville. The following break-down will show how I have arrived at the figure quoted:

1.	200 shares in McMinnville Hospital	$61,000.00
2.	Acreage by the hospital	500.00
3.	Clinic goodwill	6,000.00
4.	House at 510 S. Baker St.	14,000.00
5.	Clinic equipment and supplies at inventory	?
		$81,000.00 plus inventory

Explanation:

Item 1.

To erect a fireproof hospital building and to equip it as this one is equipped, would cost a great deal more than the $2500. per bed I have used for this offer. Forty beds at this rate would be $100,000.00 and my share is 61% plus. I have not included in this, cash on hand at the time of transfer, or accounts outstanding.

Item 2.

Acreage by hospital does not include any charge that may be made for clearing. As I have explained to you, this bill has not come in, and I am not sure one will be rendered.

Item 3.

I arrived at this figure by assuming good will to be equal to one year's net profits. I took the returns to me from the Clinic, allowed myself a salary, subtracted that from the total return and arrived at the figure indicated.

Item 4.

This was not discussed in our meeting, but I thought it might be well to include it in this offer for the following reasons:

1. It will be to your advantage in securing a director to be able to offer him a house. Houses to rent are practically non-existent in McMinnville, and I have heard of men turning down propositions because a place to live could not be found.

2. It will be to your advantage to have your director close to the hospital.

3. If I sell out my business I do not need the house.

Included with the house is the 81 cu. foot deep
8811 freeze cabinet, which was built with the idea of storage for the hospital.

Item 5.

Either of the two larger surgical supply houses will send a man familiar with current prices of equipment and supplies, to make this inventory. I am willing to pay him, but would want your approval of the agency chosen.

Terms for this deal could be anything within reason. I would suggest a sale on contract, with enough down to assure the sale, say 25%, payments anything you think you are able to make, possibly $1000. per month, with interest at 4%; the shares, bill of sale for personal property and deed to the real property, to be delivered to you when 60% is paid, the balance to be secured by mortgage on the properties.

This may look like a big amount for you to assume, but I would like to point out that it gives you a complete outfit for starting into business, with an immediate supplementary income that will go far to cut down your overhead. Based on last year, this income should be in excess of $160,000.00 per year. If you secure a medical staff of the quality I am sure you want, and expand it to include the special abilities we have discussed, I am sure you will attract more of the business of the community than the Clinic now has. If you do not have a staff acceptable to the community, the supplementary business will dwindle. It will not require a very great expansion of staff to handle the additional work your people would need. I would say the profits from your supplementary business would carry at least half of the expense of caring for your people up to one thousand families, giving you quite a margin on the monthly payments.

I believe that with unified administration and some rearrangement of floor space, the present hospital and clinic facilities will care for the needs of your organization up to one thousand families and at the same time handle the additional business of the McMinnville Clinic.

I will agree not to engage in private practice in Yamhill County for a period of three years without your written consent.

Please believe me when I tell you I am sincerely interested in seeing your project go, because I believe it

has the idea for the best bulwark against socialized medicine. Whether or not you see fit to accept this offer, I will always be willing to assist you in any possible way.

Sincerely yours,

(Signature illegible)

PREPAID MEDICAL, SURGICAL AND HOSPITAL INSURANCE

Low prices are made by what you don't get.

Read ALL the fine print and see if you like the exceptions.

The American Medical Association offers the most and best medical and surgical service the world has ever known.

As an example of preventive medicine and lives saved during an ordinary lifetime, 60% of tuberculosis and 75% of pneumonia former losses, are now living and well. These are only two of many diseases that members of the association prevent and cure.

There is now operating a co-operative, non-profit, medical, surgical and hospital association composed of more than 95% of the physicians of the state of Oregon.

Their organization is on a non-profit basis.

They collect enough to pay for services rendered the patients and the expenses of the association's office. They pay no dividends.

They sell a Complete Coverage Policy which should be all you need. They also sell a much cheaper policy which covers your hospital and part of your needs.

The Yamhill County Medical Society, the Oregon State Medical Society, and the American Medical Association, representing the greatest and best medical and surgical service the world has even known, stand for and defend your free and full choice of medical and surgical service (at cost).

The Oregon Physicians Service assures the best and most service in time of distress.

Be sure that the Physician that saved your life, is available when death again threatens.

Yours for good health and good help.

The Yamhill County Medical Society held its regular Dinner Meeting at Tourists Cafe McMinnville with 6 members present.

President, Dr. Williams called the meeting to order after dinner had been served.

Considering the fact that it was Election Night no Scientific Meeting had been arranged.

Dr. Williams read a letter from Dr. Morris L. Bridgeman, Secretary of the State Society in regard to Individual Medical Contracts being written by the Oregon Medical Service Inc. formerly the C. H. Weston Co. a commercial hospital association. The State Society does not approve of these contracts and wishes to impart this information to its members. There being no further business, meeting adjourned.

(Dr. Noble, acting Secretary,
in Dr Edmundson's absence)

The regular meeting of the Yamhill County Medical Society was held in the Tourist Cafe at 6:30 P.M. Dr Stolte, presiding, called the meeting to order. Guests of the local Medical Assoc. for the evening were Dr W W. Baum, Salem, President of the Oregon State Medical Society, Mr Willard C. Marshall, Salem, Director, Bureau of Medical Economics (State Medical Society), and Mr John Cougill also associated with the Bureau of Medical Economics.

The minutes of the previous monthly meeting were read & approved. Dr. Stolte read a note from Dr. Vernon A. Douglas, State Medical Officer, to the effect that opening date of *gas course* for physicians in connection with Civil Defense would be held at the University of Cincinnati Medical School. No members expressed a desire to go in spite of the free tuition offered.

Dr W. W. Baum spoke on the new physicians' service bureau called the "Oregon Physicians' Service" (O.P.S.);

also on Medical Disaster Relief and Doctors in War. Discussion followed by Messrs. Marshall & Cougill.

Mr. Willard C. Marshall then spoke on "Prepaid Medical Service for Standard Borrowers of Farm Security Administration." Discussion followed.

The motion was made & seconded that the individual physicians write a note to the local committee (Bills under P & S — Physician's & Surgeons) indicating whether or not a special nurse in their opinion was needed
8814 in a particular case under care. This would place the responsibility or blame on the committee & not on the individual physician in cases where the patients' family desired a private nurse, but the attending physician did not deem it necessary.

Dr Stolte explained the work that has been done to complete plans for Medical Disaster Relief or Emergency Medical Services in the county.

The motion was made and carried that flowers be ordered for Dr. Fields' funeral. Dr. Stolte agreed to take that responsibility.

The meeting was adjourned at 10 P.M.

Respectively submitted,

Barindsick, Manning, Bangs, Herringer, Russell, Noble Stolte, Wilcox and Ross. Mrs. Knox, Harvey and Marshall from offices of O.P.S. were present and presented the plan as authorized by the state society for family coverage of O.P.S. subsistence. Plan was discussed and corrective suggestions made which are to be taken up with the doctors of O.P.S. By unanimous vote the society went on record as favoring adoption of the plan and early use in this county.

President Wilcox appointed following committee:—O.P.S. Drs. Bump Manning and E. H. Barinsick. Delegate to State Med. Society Meeting Dr. Stolte. Councilors, Dr. Law, Dr. Russell and Dr. Williams.

Letter from State Board of Health regarding appointment of Public Health Committee to meet jointly with ten representatives of community and civic groups. Dr. Stolte discussed the duties and purpose in violation to the recently passed House Bill #53 enacted by the 1945 State Legislations. It was moved and seconded that no action be taken on these committee appointments at present time. Motion was passed.

8818 Dues for the year of 1946 were collected from members present and the secretary was directed by the president to ratify all activily practicing physicians of the county the amount due the society in order to remain an active participating member.

The meeting was adjourned by the president at 9:00 PM.

Special meeting of the Yamhill County Medical Society was held at the Palm Cafe at 6:30 P.M. President Ross called the meeting to order at 6:30 P.M.—following number present Drs. Law, Huckleberry, Williams, Skelly, Noble, Russell, Ross, Peck, Menkel, Herringer.

Special meeting called to discuss the Group Health plan being formulated by an undisclosed organization. The fact that the members of the Medical Society were not welcome at the committee meeting called by the organization, nor were O.P.S. representatives allowed to attend, was considered unusual and not in line with usual policy. A general discussion was then held on the problem.

OPS. was urged to contact all possible groups for insurance coverage and that all doctors have o.p.s. literature and bulletins in their offices. The motion was passed reaffirming the society's previous resolution to have the OPS act as contact agent in all matters relating to the society & insurance contacts.

The Regular Meeting of the Yamhill County Medical Society was held at the Palm Cafe @ 6:30 PM. President Ross called the meeting to order @ 6:45 P.M. with the following members present: Drs. Law, Bump, Skelly, Shumway, Peck, Wilbur, Menkel, Herringer, Stolte, Williams, Noble, Barendrick, Russell, Huckleberry, Ross, and Van Zyl.

Guests present were Dr. McLean, a delegate to the A.M.A., Dr. Buckley, 1st vice-president of the Ore State Medical Society, Dr. O'Hara, past president of the Clark County Medical Society (Wash), Mr. Clyde Foley, Secretary Oregon State Medical Society, Mrs. W. C. Marshall, Mr. A. W. Knox, Mr. Brinkley of the Oregon Physicians Service, Mr. Walter Lapsley of the Clark County Medical Service Bureau.

Minutes of the previous meeting were read and approved as read.

The guests were then introduced and the meeting turned over to Dr. Menkel who was in charge of this meeting to discuss prepaid medicine in this area.

Dr. Buckley spoke a few minutes in regard to the attitude of the Oregon State Council on various prepayment plans and that there had been insufficient definite information concerning "this cooperative plan" for them to be of much help at this time.

Dr. O'Hara then related the experiences of the Clark County Medical Society with the Permanente Foundation during and after the war. He mentioned that the foundation began as an open cooperating staff and gradually became a closed staff selling group insurance disapproved by County & State Society. Dr. McLean presented the ex-

periences of the Association of Clackamas County Physicians in their struggle with and against prepaid insurance groups.

8824 Mr. Marshal O.P.S. representative told us briefly that an approved O.P.S. plan had been offered to the Farmers Union Organization with certain special coverage and that it had not been accepted for unknown reasons. He also discussed certain statistics, expenses, reserves, etc., that would by state law have to be taken into consideration by a group such as the Farmer Union Health Group.

Mr. Lapsley discussed the experience of the Clark County Medical Service Bureau in full coverage and limited coverage medical plans. Further discussion was then had by the group concerning the "local problem" of a Farmer's Union Cooperative Health Organization, its probability, its likelyhood, and the potentialities etc.

Mention was made, seconded and passed that along with the O.P.S. advertisements in our local papers, we include the names of the physicians & surgeons who as members of the Yamhill County Medical Society, cooperate with their plans.

Motion passed to extend hearty thanks and appreciation to the guests of the evening for their presence, their remarks, and their assistance to us as a group.

There being no further business the meeting was adjourned at 10:15 P.M.
